BILLS OF QUANTITIES FOR SIDE DRAIN CONSTRUCTION OF JAFFNA CENTRAL COLLEGE GROUND

Item	Description	Unit	Qty.	Unit Rate	Amount
CONSTRUCTION OF CONCRETE SIDE DRAIN					
1.0	Drains, earth, in any soil except rock requiring blasting cut to gradient and shape as directed and depositing soil within site	M ³	195.00	1,350.00	263,250.00
2.0	Cement concrete 1:3:6 (1 1/2") (Shuttering paid separately) incl: curing(Gr 15 conc.)	M ³	19.50	24,985.00	487,207.50
3.0	Cement concrete 1:2:4(3/4") (Gr.20 concrete) (R/F and Shuttering paid separately)incl: curing Using mixture & vibrator Tor Steel and Mild steel Rates for reinforcement shall include for rolling, margin, preparation of bar bending schedules, wire brushing, binding cover blocks, supports, chairs and spacers, supporting and keeping in position during concreting. All Tor reinforcement in used Tensile stress 460 kN/M2 , Mild steel reinforcement Tensile Stress 250 kN/M2	M ³	64.00	25,039.00	1,602,496.00
4.0	Tor reinforcement in used Tensile stress 460 kN/M2 - Ground floor	Kg	940.00	448.00	421,120.00
5.0	Mild reinforcement in used Tensile stress 250 kN/M2 - Ground floor	Kg	620.00	451.00	279,620.00
6.0	Shuttering for floor slab concrete including 15 mm plywood sheets, 4" x 2" Class (II) timber joists and necessary props. up to 12'-00" height. (Rate to include dismantling same when required). Ground floor	M ²	920.00	2,283.00	2,100,360.00
CONSTRUCTION OF COVER SLABS					
7.0	Cement concrete 1:2:4(3/4") (Gr.20 concrete) (R/F and Shuttering paid separately)incl: curing Using mixture & vibrator	M ³	19.50	25,039.00	488,260.50
8.0	Tor reinforcement in used Tensile stress 460 kN/M2 - Ground floor	Kg	1898.00	448.00	850,304.00
9.0	Sawn timber (class II) formwork for sides of Concrete Cover Slabs.	M ²	127.00	1,484.00	188,468.00
TOTAL ESTIMATED AMOUNT					Rs: 6,681,086.00

Jaffna,
Sri Lanka.

28.03.2022

Mr. Shamsi Silva,
President,
Sri Lanka Cricket,
35, Maitland Place,
Colombo 7.

Dear Sir,

Laying of Turf Table and the Supply of Turf Maintenance Equipment by Sri Lanka Cricket (SLC).
Beneficiary: Jaffna Central College (JCC), Jaffna.

Ref: Our meeting with your Mr. Kamal Dharmasiri and Officials during Feb/2022 at our School premises.

Purpose: Discussion of the modalities in the captioned regard.

A follow-up meeting was conducted by me with the Officials of our School Development Society (SDS) today -21st Mar.

I am pleased to confirm that the entire SDS is in favor of the arrangement and assistance to be rendered to JCC by SLC in the near future.

The JCC Old Boys Association of London will play a pivotal role with regard to the development of our grounds.

They have taken the responsibility and assured that a Ground Development Project will be carried-out and a Drainage System will be in place, preceding the intended work of "Turf Laying" by SLC.

Working in harness with the other OBAs of JCC, worldwide.

I thank you profusely, dear Sir.

On behalf of JCC, SDS, OBAs and in my personal capacity.

Your timely initiative will not only assist JCC to produce more National Stars but will be a boon for the promotion of Cricket in the North.

JCC which is 206 years old takes pride having introduced Cricket,

Soccer and Scouting to the North, more than a century ago.

We look forward to receiving your Officials soon at our grounds to carry-out the preparatory work.

Thanks and best regards.

Your's sincerely

Dr. S.K. Elilventhan,
Principal,
Jaffna Central College,
Jaffna.

**Jaffna,
Srilanka**

To,
Hon Secretary,
Sports ministry,
No 9, Philip Gunawardana Mw,
Colombo.

28th May 2020.

Dear Sirs,

Requesting Ground Development of Jaffna Central College

As the Principal of Jaffna Central College, I kindly forward this request to your concentration

Jaffna Central College is one of the oldest schools in Srilanka and has always been known for producing good school cricketers without compromising on their academic achievements.

More recently we produced two excellent cricketers Mas. Mathushan and Mas. Viyaskanth , who were selected for the Under 19 Srilankan squad and the experience they gained in playing on turf has impressed not only our school but several other schools who now want to play cricket on turf pitches.

The location of the grounds (next to the historic british period clock tower) is the main attraction to all the tourist who visit Jaffna. More recently during March 2020 we had several foreigners visit our grounds to witness our big match against St Johns College.

We together with the Old boys around the world have spent a considerable amount of time investigating the prospects of reconstructing a fully fledge turf cricket ground. We have obtained quotations from a number of reputable contractors to renovate and construct these wickets. We have already built the turf nets for practice.

We would be most obliged if you could use your good offices to study the project report enclosed and allocate a budget for us to provide the much-needed cricket facilities for our students.

We will be more than happy to send our representatives to meet you in Colombo to discuss the project further.

We wait for your response.

Yours sincerely,

S K Elilventhan.

Principal.
